

KBAB Bike Ride of the Month

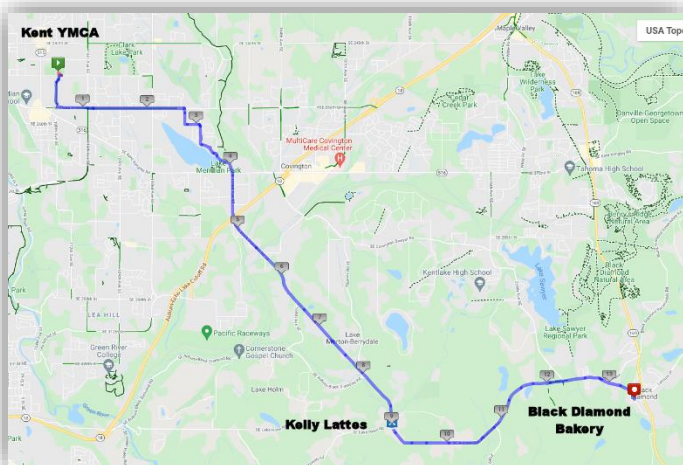

Kent Bike Advisory Board Ride of the Month – December 2021 Julie's Coffee Ride

This month's ride is an intermediate route for riders with confidence on busy roads. It utilizes bike lanes and small to moderate arterials. The traffic on the Kent-Black Diamond Rd can be heavy and so it is best ridden on weekends or mid-day Mon-Fri. It is an out and back to one of two different coffee shops. The shorter route turns around at 8.8 miles, Kelly Lattes. They have covered seating and a fire pit, but no restrooms. If you wish, you can continue the route to The Black Diamond Bakery at 13.4 miles which has more food options, indoor seating, and restrooms. Reverse your route to return.
